Great Expectations® is a comprehensive school reform model, based on cutting-edge research and validated by scientifically based research.

Great Expectations® professional development meets the stipulations of *No Child Left Behind* for federal funding.

Students in **Great Expectations**® classrooms make statistically significant gains in academic achievement.

Great Expectations® enriches teachers' practice by providing sessions centered on six basic tenets:

- All Children Can Learn
- Building Self Esteem
- High Expectations
- Climate of Mutual Respect
- Teacher Attitude & Responsibility
- Teacher Knowledge & Skill
